## TOURS WITH MISSION

FAF exchanges are just better

### Tours that change lives

“This trip has been beyond our expectations thanks to Friendship Ambassadors. If EagleSong’s trip had consisted of nothing but Friday’s activities, it would have exceeded all expectations and been worthwhile. Never had we been in a tour where all performances were greeted with tears. Several times I found myself thinking how much better are tears of gratitude than tears of loss.

“Our entire community is buzzing with the stories of EagleSong’s great trip and how much it meant to the people in Louisiana! We feel like true ‘Friendship Ambassadors’ and thank you and Patrick and the entire organization for making it possible.”

- Gary Fry, EagleSong
