"The San Marino Chamber Singers want to thank Friendship Ambassador Foundation for organizing, monitoring and executing our concert tour to Japan and Taiwan in April, 2008. The entire trip was thoughtfully planned and extremely well-executed.

The performance venue in Japan was top notch and the staff from FAF (especially our coordinator, Ms. Yin-Chu Jou) spent endless hours making sure every detail regarding the concert was done. We couldn't have asked for a better experience in Japan. We highly recommend the service of FAF to anyone who might be interested in collaborating with them in the Japan festival in 2009. They are an amazing non-profit organization who has done things right for us!"
